LITTER REGISTRATION AMERICAN DOG BREEDERS ASSOCIATION INC.

P.O. BOX 1771 -SALT LAKE CITY - UTAH 84110 -(801) 936-7513 - www.adba.cc

• Before the litter can be registered both Sire and Dam must be ADDBA registered, have a registered name on file and have ownership recorded in the current owner's name. • If the required information is not listed on the front of parents registration certificate, a Transfer of Ownership is needed or dogs registered name needs to be recorded with the ADDBA registration office. • If Sire, Dam or both are not registered with the ADDBA, you must apply for registration with a Single Registration Application. Paperwork (of Sire, Dam or both) must be processed before the litter can be processed. Completed registrations will then be sent to appropriate owner(s). If paperwork is to be sent to a third party, written permission must be given. • Pups over one year of age cannot be registered as a litter. They must be registered on a single registration application. • If Sire or Dam is less than 9 months at time litter is born or over 11 yrs at time of breeding, DNA profile is required. • **Be sure to mail all forms together to speed up registration process.**

Applications Sent on Request Litter Application Single Application Other

BREEDER If breeders name is to be placed in front of pups name, format is limited to breeders first or last name, or breeders name initials. Any other variation must be registered as an ADDBA kennel name (See kennel app for details). **(No exceptions).** Name your puppies carefully. It is the policy of the ADDBA that the registered name of a dog remains permanent, unless breeder's permission is given for change and the dog has never been bred.

Breeders Name

If you prefer that the new owner name the puppy, assign each an alphabetical letter.
